WHEN POETRY EXISTS
 POETRY MUST ALSO
 NOT EXIST ●

the new poetry

The Public Canon

WAS ALWAYS PRIVATE ●

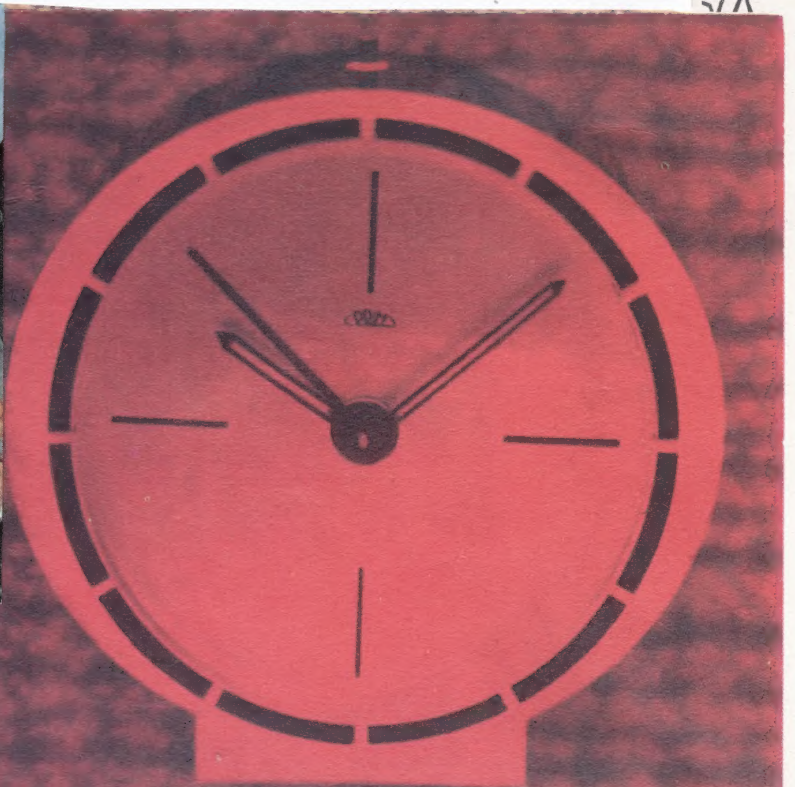

In January 2018 I spent many nights between comedy shows and drink alones on the corner of Narodni and Spalena looking for love.

It first happened one night when I was walking the Spalena dumps all pity heart when I turned the blind corner onto Narodni and into the direct woman who said also nothing and then suddenly

It came to me - - - I spent the mornings thinking of who I could be, turning that corner and existing immediately and real-ly. no looking for love when it runs into you.

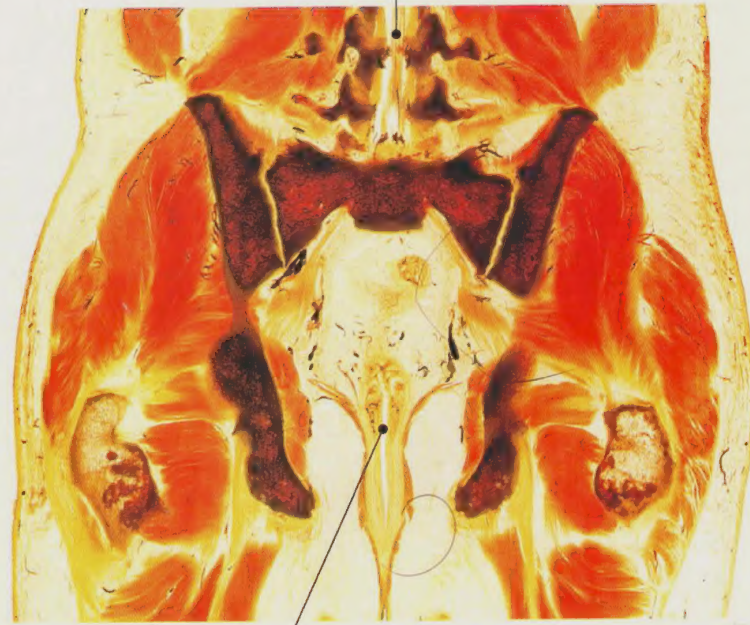

For the next three weeks I turned the corner repeatedly all friday evening just to if only briefly share those immediate seconds and fumble together at what to say in the midnight language

Much like sweetened milk:
for it to exist unsweetened
must also in its opposition

This is the same for poetry:
for it to exist unsweetened
must also in its opposition

art is in the beholder

chooses

What tastes this tongue
will taste and why

have they pumped

A CASA EM SILÊNCIO

A collage artwork featuring a red background. In the center is a purple silhouette of a person standing with arms outstretched. Overlaid on this is a silver door handle. A slice of cantaloupe is placed in the keyhole of the door handle. Several white rectangular text boxes with black typewriter-style text are scattered across the image.

Zizkov to Import Dog Shit

(LIPANSKA) The Prague III grand jury has declared a state of emergency over a decrease in dog shit on the side walks of the neighborhood.

"How could we let this happen? The reputation of our streets are at jepoardy here." stated resident Jan zizka.

The agency usually tasked with the shit placing failed to return our messages when asked about the situation.

This has been an on-going issue for locals who have seen first hand the implications of gentrification from Vinohrady and beyond.

Female Pulls Plug on Mic

(NARODNI TRIDA) Over Halloween weekend, a male's mic was found bugged during an improv jazz jam.

During his performance,t audience members begain to notice that a phaser filter was being applied to the vocals of the man.

"Is this how we'd like our community to treat the vulnerable men in our community who already have to fight for the stage?

"Sometimes jams are good, sometimes they're not. This doesn't mean someone has the right to treat the stage as an exclusive space and to pull the plug when they don't like it. That wouldn't be a jam local then", said female Sara Cibulkova. Let's keep our commun- ity a safe place where everyone is welcome to participate.

Man's Girlfriend Loses His Virginity

(HRADCANSKA) Local man off the green line was notified by a confident earlier this week that his girlfriend had engaged in sex with another female in the name of him.

"While this normally wouldn't be a problem, I was kind of saving that for someone special" admitted Antonin."

The two are reportedly working to retrieve back the virginity.

MISSSED KONNECTIONS

M4F. (BRUSELSKA : velvet hair on night tram) - I hope you remember me and that you got to yr halloween party alright. You were quite drunk but you told me my hair was like velvet. I was wearing an abraham lincoln mask..i wonder what yr name is.

F4F. (ZIZKOV : Drunk kebab on Saturday) - Sorry about my friend. His girlfriend just broke up with him and he must've been looking for love. I tried to stop him. Maybe you and I can get a coffee sometime? Vinohrady is nice this time of year. Hope to hear from you.

M4F. - (KARLIN : Do you even write poetry) - it really pissed me off when you made fun of everyone at the reading, sure your this hot chick from wherever the fuck and you and I had a good time and i'm glad that i went back to yours but i felt like you just did it out of pity.

F4M. (GAUGED OUT EYE : You didn't tell me you were seeing her) we exchanged emails for awhile because you wouldn't give me your phone number and now I know why. Why couldn't you just have told me?

M4M. - (BOHO, VINOHRADY : Why don't you come around anymore?)

F4F. (BIKE JESUS : you told me you wanted to take photos of you) Why did you leave without saying goodbye? Did I scare you off when I offered you to come with us? I thought we really shared a moment. You were wearing banana earrings.

M4F. (ZIZKOV SISKI : You never called) it just made it kind of awkward. You knew I liked you why didnt you just tell me you weren't interested?
